ANBLX: Art Nobilitas Cryptocurrency

The World's Peer to Peer Art & Wealth System

GOLD AGREEMENT PROTECTION - [GAP]

Introduction

ANBLX, the Art Nobilitas cryptocurrency (hereinafter "Art Nobilitas Gold" or "ANBLX") has been conceived to be the reference international cryptocurrency, in the world specialty tokens.
It is issued in an amount of 1,000 million units, and by this agreement, has a guarantee on the purchased price, per each different kind of package of ANBLX, based on one (or more) Gold Ingots.

This agreement is executed by and among:

- Each subscriber, as defined here below under the section "GAP Beneficiary", of a package of ANBLX units at the "protected price".
- Superlab Technologies Georgia Ltd (hereinafter "Superlab") as worldwide ANBLX's distributor.

Terms of the Agreement Protection [GAP]

- Each single unit package, under the GAP Gold system, has a variable price in EURO per ANBLX unit.
- Superlab will purchase from our gold trade partners, per each package sold, a 100 grams (or less depending on the size of the Assignment) gold ingot or part of a standard gold bullion of at least 24 K, which will be deposited at a safe bank deposit or specialized gold safety company and blocked according the agreement set here.
- Each subscriber of the GAP will receive this personal, not sellable, not assignable "Protected Gold Certificate" in his own name, or in the name of any company duly appointed by the receiver; funds must be transferred from his own bank account or from the company bank account;
- The GAP states that the owner can request to Superlab to buyback the Assigned ANBLX unit package, whatever could be the current price, in exchange of the consignment of the said gold ingot 24 K minimum (hereinafter "Certificate Swap") or the equivalent current gold market price;
- Certificate Swap Condition 1: the conversion ANBLX/Gold ingot cannot be requested before 24 months from the purchase date. The purchaser has to have a middle term sight;
- Certificate Swap Condition 2: the conversion ANBLX/Gold right will expire when and if ANBLX will reach a market price of 5,00 EURO per ANBLX unit and the gold ingot will be at free availability of Superlab;
- The present GAP certificate cannot be sold or exchanged, but can be transferred to inheritors in case of death of the subscriber keeping same rights and obligations of the latter by a written communication with the attached death certificate;
- If a subscriber sells his ANBLX units and later would anyway like to enforce a Certificate Swap, it is necessary to purchase on the market the same amount of ANBLX of the original package and use it to complete the Certificate Swapping.
